

# Ingalls Library Intern/Volunteer Information Form

## Orientation

CMA interns and volunteers who require library services should be scheduled as soon as possible for a library orientation tour with a member of the reference staff by calling ext. 2530.

**Borrowing privileges cannot be granted prior to orientation.**

Two orientation sessions may be scheduled depending on research needs.

## Project description

Please describe the project(s) you have assigned to your intern/volunteer if he or she will require library services. Be as specific as possible. Your description will assist the library staff in providing orientation and reference services geared to your intern/volunteer's project and will give us an idea of the assignment's expected result. Advance notification of an intern/volunteer's arrival will help to ensure our success in meeting their needs.
